

Pearson Edexcel International GCSE – November Exam Series

We are **introducing a regular International GCSE November series**, first running in November 2023. This series is being introduced to best meet the needs of students requiring International GCSE exam opportunities outside of the full May/June series, and it will replace the existing January series.

We know that many of you will still want to offer International GCSE exams between May/June 2022 and May/June 2023 and we will continue to run the January series in 2023. This will be the last January International GCSE series.
