Controlled conditions

Unit 2 has two elements: Composition and Sleeve Note.

COMPOSITION

Composition can broadly be divided into two processes, **research and preparation** and **writing**, with only the time spent on the writing part of the process counting towards the maximum 15 hours.

Research and preparation

This includes any work done prior to the writing down of the final version of the composition. This may involve considering the brief, listening to other music, experimenting with suitable melodic or harmonic ideas on guitar or piano, working out rough drafts, and so on.

Research and preparation can be done *outside the centre*. There is no time limit to it. The results can be recorded in writing or electronically. They can be taken in and out of the centre and referred to during controlled writing time. However, the teacher *must* inspect them, and be satisfied that they are the student's own work.

Writing

Broadly, this is when the final score of the piece is produced (either in handwritten form or via a score-writing package such as Sibelius).

Candidates have a **maximum of 15 hours'** writing time. Writing time will take place inside the centre, either in timetabled lesson times or outside them, as most convenient to all concerned. It must be under supervision by a teacher (not necessarily the music teacher), or a member of the support staff.

Recording the Composition

Compositions must be recorded. The time needed to do this is additional to research and preparation and to writing time. It is suggested that recordings, especially if they are live as opposed to computer-generated, are made before the full allocation of writing time has been used up in case candidates need to make adjustments in the light of a changed view of the result following its performance and recording.

SLEEVE NOTE

The sleeve note may be handwritten or word processed. Writing time is limited to **one hour**. Candidates must be supervised whilst completing the writing of the sleeve note and no teacher intervention is permitted during the one hour of controlled assessment. The New Anthology of Music, other printed or handwritten scores and candidates' *own* notes may be taken into the controlled conditions for the writing of the sleeve note.

Declaration Form

Each candidate must sign the declaration form on page 12, stating that the work is his or her own. The teacher must not countersign the declaration if the work does not appear to be the candidate's own.

Instrumental and vocal requirements

All instrumental and vocal requirements are identified in each of the briefs. These requirements must be met but they may be added to, subject to the brief.
