Broadening

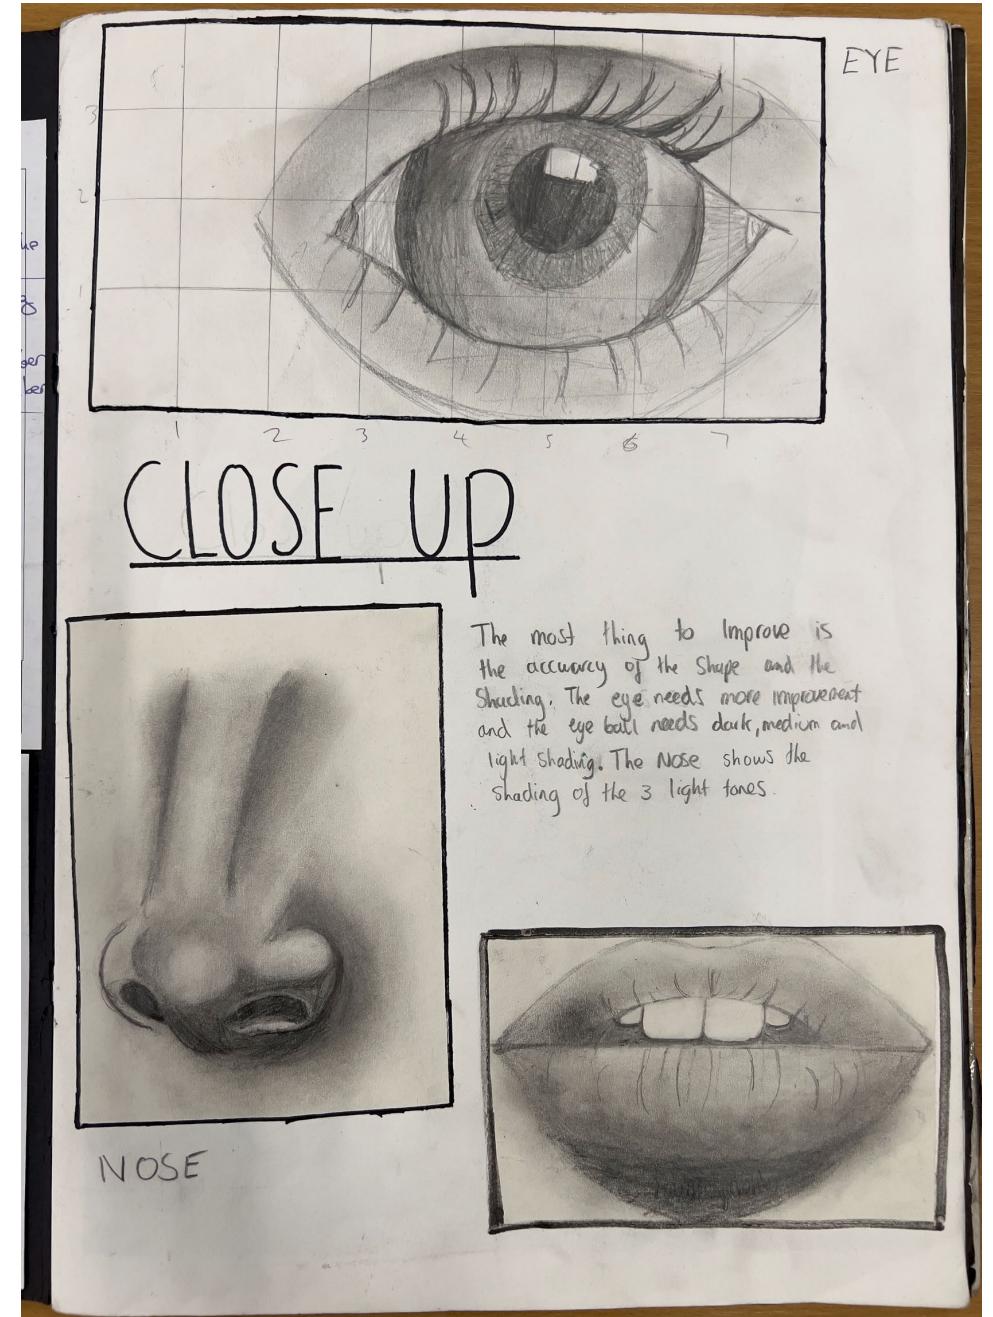

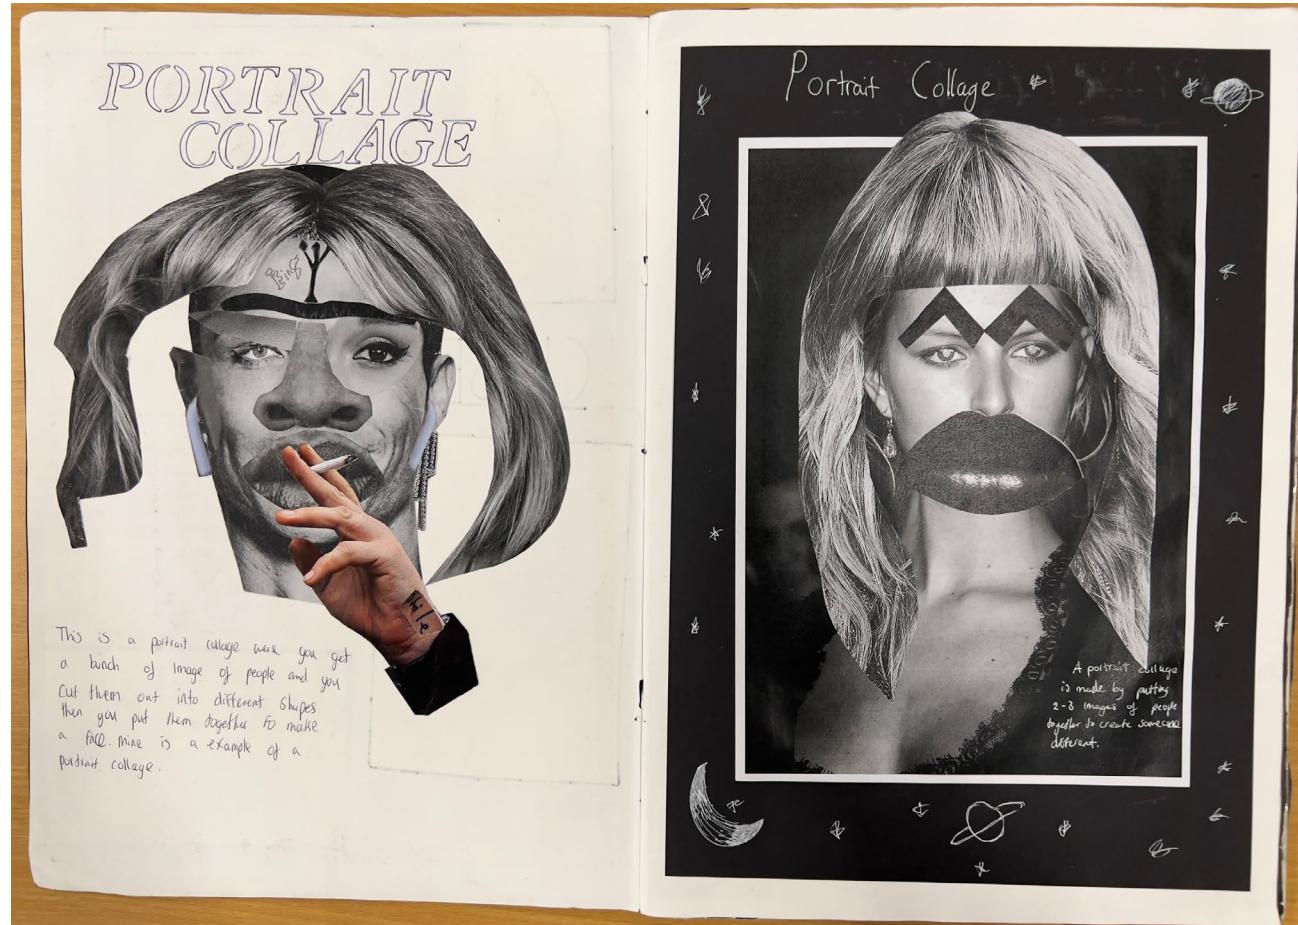

## Examiner comments:

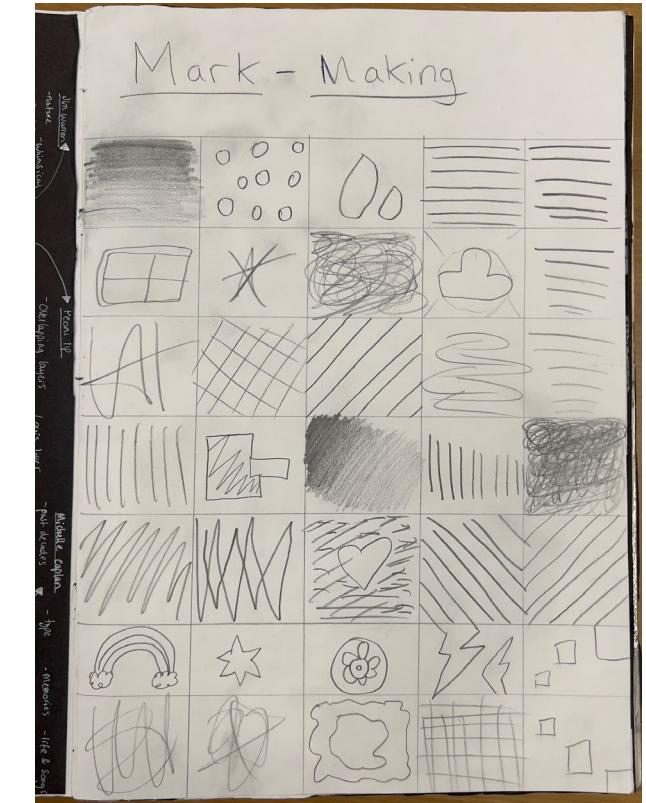

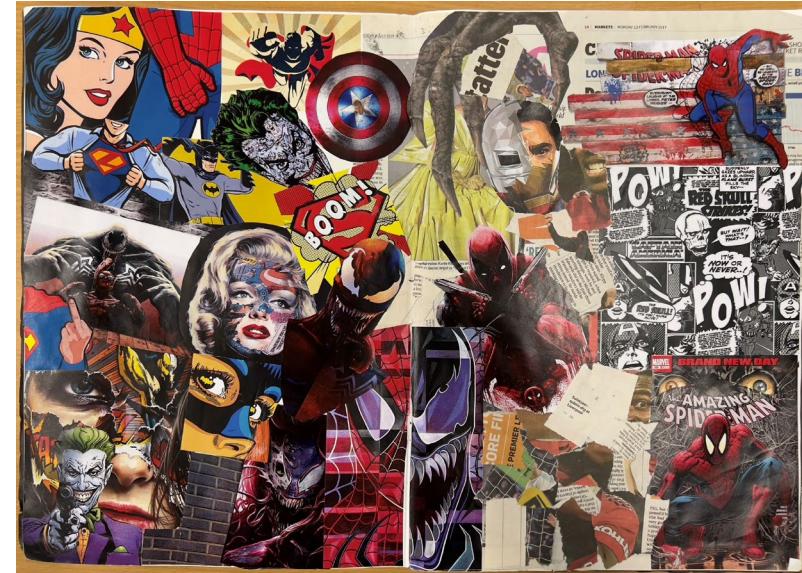

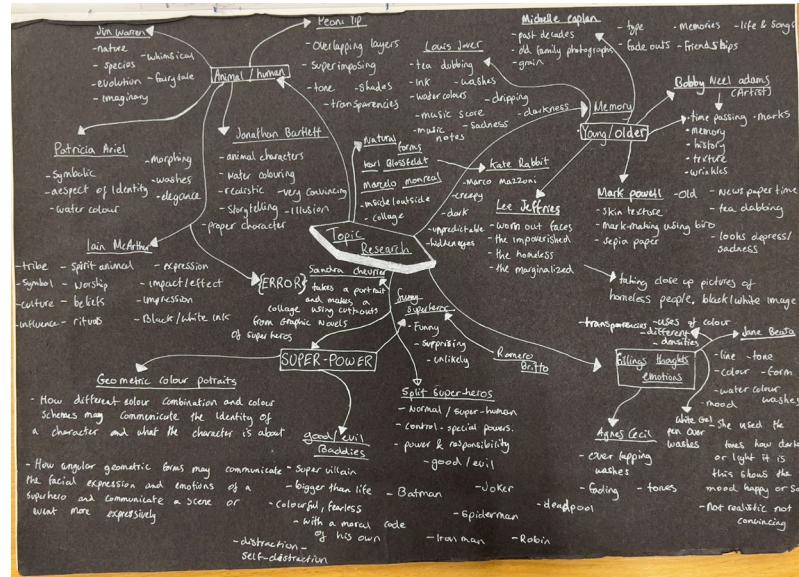

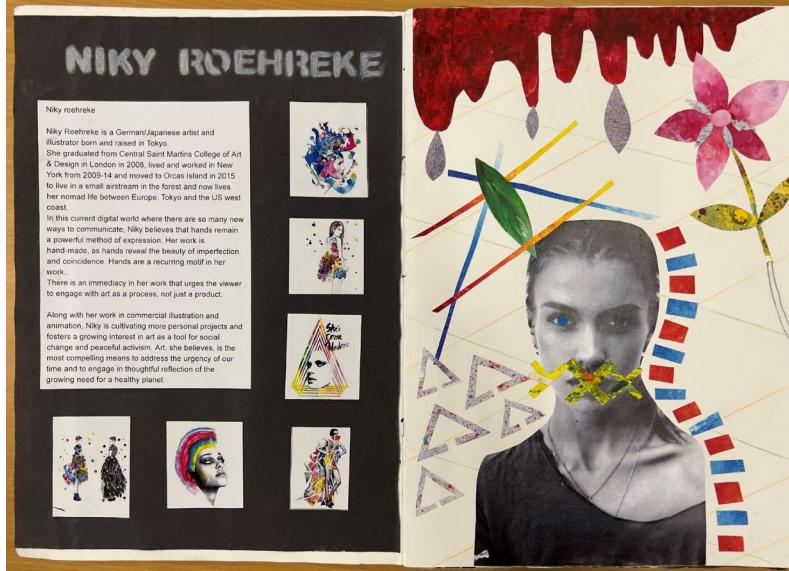

- There is evidence of painting, drawing, printed and collaged studies.
- This is emerging competent work with appropriate development of ideas.
- The candidate demonstrates evidence of a broadening control when selecting and experimenting with materials, techniques and processes.
- Most of the annotation is purposeful and meaningful.
- The candidate shows evidence of drawing throughout, supported by their own photography, which has been a fundamental part of the processes they have engaged within.
- The candidate's knowledge, understanding and skills are generally safe and adequate, especially in the development of ideas presented within their sketchbooks.
- The candidate has produced an outcome showing that they have used the experimentation within their sketchbooks to support the outcome that has been produced.
