Examiner comments:

- The candidate's knowledge, understanding and skills broaden as the course develops, enabling them to explore a range of ceramic techniques with emerging confidence.
- Experimentation with scale and form shows endeavour.
- The candidate competently reflects upon their ideas and the ceramic sculptures are supported by free hand drawing that show a growing control.
- There is some basic evidence of critical understanding of their own ideas and the sources that have informed them.
- The final realisations demonstrate a mostly emerging competent and consistent ability through the understanding of the tools and techniques of ceramics.
