Comments:

- The candidate's knowledge, understanding and skills are generally adequate, but safe.
- The development process is predictable in the formulation of ideas.
- Investigations show emerging competence in critical understanding of their own ideas and the sources that have informed them.
- Experimentation shows endeavour, and is broadening in the ability to select and use media.
- The recording of ideas shows growing control through the manipulation of digital media.
- Annotation shows an emerging competent understanding of sources, related to personal work and the work of others.
- The final realisation demonstrates a fully emerging competent ability in the understanding of visual language.
