BTEC Level 2 Technicals for Land-based studies

Your Level 2 BTECs for Post-16 learners
Welcome to your guide to the BTEC Level 2 Technicals for Land-based studies.

BTEC Level 2 Technicals are practical hands-on qualifications designed to help your post-16 learners master the industry-specific skills and knowledge they will need to start and succeed in their careers.

Developed with the help of leading employers and professional bodies, you’ll find the technical content and practical approach you’ll need to help your learners stand out from the crowd and prepare for their next steps, whether that’s an apprenticeship, employment or further study at level 3.

These flexible qualifications can be taught:

- as part of a full-time 16-19 study programme alongside other qualifications such as GCSEs or,
- as the technical qualification within an apprenticeship or employment.

If you’re looking for a post-16 Level 2 course designed around what today’s employers expect – choose BTEC Level 2 Technicals.

The skills to succeed – the confidence to progress

Introducing BTEC Level 2 Technicals

Your BTEC Level 2 Technicals at a glance

What are they?

- Level 2 courses in various sectors
- For post-16 learners
- Designed with input from tutors, employers and professional bodies
- Developed to meet performance measures in England

How do they work?

- Build knowledge
- Master skills
- Learn from professionals
- Apply in practice

Where can they lead?

- Employment
- Apprenticeship
- Further technical study at Level 3

BTEC’s tried and trusted learn-by-doing approach means your learners:

- Cover vital industry knowledge employers say learners need within mandatory units.
- Specialise with optional units (where applicable).
- Draw on and apply all their learning to a real-life situation in the synoptic final unit.

- Focus on developing competency in key sector skills.
- Must achieve at least a Pass in every unit so they’re confident they’ve mastered the basics they need to succeed.

- Explore essential professional behaviours for the workplace.
- Have plenty of opportunities to engage with local employers, workplace-based activities, guest lectures and have practitioners setting and marking assignments.

- Showcase what they know and can do in different types of assessments based on real-life scenarios.
- Have evidence of applying what they know to tasks they’ll tackle every day in their chosen career.
From Animal Care to Horticulture the Land-based Sector opens up a world of opportunities for your learners.

We’ve designed BTEC Level 2 Technicals for Land-based Studies so your learners can get set for success in their chosen field.

Why choose BTEC Level 2 Technicals for Land-based studies

We’ve designed BTEC Level 2 Technicals for Land-based Studies so your learners can acquire the skills and knowledge they will need to succeed in their chosen field of study.

BTEC Level 2 Technicals for Land-based Studies:

• are for post-16 learners wishing to master sector-specific skills and knowledge
• have been designed to meet DfE criteria and are eligible for 16+ and 19+ funding in England
• take a learn-by-doing approach to cement practical skills and build confidence
• include carefully planned synoptic units to consolidate learning
• have employer involvement to enrich learning and provide a tangible link between study and work
• offer routes to apprenticeships, employment and further study.

Industry support

We’ve received letters of support for these new qualifications from a range of employers and industry specialists including: British Wildlife Centre, British Veterinary Nursing Association, British Equestrian Federation and more – see your qualification page for the full list at quals.pearson.com/BTECL2TechnicalsGuide.

Learners will need to complete and achieve all mandatory units and two optional units.

Next steps for your learners...

Equipped with the skills, knowledge and experience to succeed in the Agriculture sector, BTEC-qualified candidates can choose where they go next.

- Apprenticeship
  - Agriculture
- Employment
  - Farm assistant
  - Livestock/crops assistant
- Level 3 study
  - Pearson BTEC Level 3 National Diploma in Agriculture

The skills to succeed - the confidence to progress
BTEC Level 2 Technical Diploma in Animal Care (360 GLH)

The perfect course for learners looking to start a career in animal care.

- Includes practical activities to help learners develop a range of skills, knowledge and behaviours expected by employers in the animal care sector.
- Practical assignments where learners get to grips with the diverse nature of the industry and create their portfolio.
- Includes additional specialist units to extend skills and knowledge.

**Unit 1:** Practical Animal Health 60 GLH

**Unit 2:** Introduction to Animal Biology and Health 60 GLH

**Unit 3:** Animal Care Work Placement 60 GLH

**Unit 4:** Animal Welfare 60 GLH

**Unit 5:** Animal Behaviour Assessment and Safe Handling 60 GLH

**Unit 6:** Feeding, Accommodating and Moving Animals 60 GLH

Learners need to complete and achieve all units.

Next steps for your learners...

Equipped with the technical skills and behaviours required for the animal care sector, BTEC-qualified candidates can choose where they go next.

- **Apprenticeship**
  - Animal Care apprenticeship

- **Employment**
  - Animal care worker
  - Animal care assistant in animal business
  - Kennel or cattery worker

- **Level 3 study**
  - Pearson BTEC Level 3 National Diploma in Animal Management

The skills to succeed - the confidence to progress

BTEC Level 2 Technical Diploma in Blacksmithing (360 GLH)

Designed for learners looking to start a career in blacksmithing.
• Includes activities to help learners develop a range of blacksmithing skills to help them progress to employment or further technical study.

| Unit 1: Health and Safety in Blacksmithing | 30 GLH |
| Unit 2: Metallurgy and Heat Treatment     | 45 GLH |
| Unit 3: Forging Processes                | 60 GLH |
| Unit 4: Welding and Thermal Cutting Processes | 45 GLH |
| Unit 5: Freehand and Technical Drawing   | 30 GLH |
| Unit 9: Research, Design and Make Blacksmith Products | 90 GLH |
| Unit 6: Fabrication Techniques           | 60 GLH |
| Unit 7: Forge Work Construction Techniques | 60 GLH |
| Unit 8: Horse Biology and Handling       | 60 GLH |

Learners need to complete and achieve all mandatory units and one optional unit.

Next steps for your learners...

Equipped with the skills, knowledge and experience to succeed in the blacksmithing sector, BTEC-qualified candidates can choose where they go next.

- Apprenticeship
  - Blacksmithing apprenticeship

- Employment
  - Artistic/decorative blacksmith
  - Bladesmith
  - Farrier
  - Welder and fabricator

- Level 3 study
  - Pearson BTEC Level 3 National Diploma in Blacksmithing and Metalworking

Download your specification for full details at quals.pearson.com/BTEC2TechBlacksmithing

The skills to succeed - the confidence to progress
BTEC Level 2 Technical Diploma in **Countryside Studies** *(360 GLH)*

Designed for learners looking to start a career in countryside studies.
- Includes range of activities to help learners acquire the skills, knowledge and behaviours needed in this sector.

<table>

<td>90</td>
</tr>
</tbody>
</table>

Learners need to complete and achieve all units.

Next steps for your learners...

Equipped with the skills, knowledge and experience to succeed in the blacksmithing sector, BTEC-qualified candidates can choose where they go next.

- **Apprenticeship**
  - Floristry apprenticeship
- **Employment**
  - Junior florist
- **Level 3 study**
  - Pearson BTEC Level 3 National Diploma in Floristry
BTEC Level 2 Technical Diploma in Forestry and Arboriculture (360 GLH)

Designed for learners looking to start a career in forestry and arboriculture.

- Includes range of activities to help learners acquire the skills, knowledge and behaviours needed in the forestry and arboriculture sector.

Learners are required to complete and achieve all the units included in this qualification.

### Units

- **Unit 1:** Introduction to Working in Land-based Industries (60 GLH)
- **Unit 2:** Introduction to Plant and Soil Science (60 GLH)
- **Unit 3:** Tree Work Placement (60 GLH)
- **Unit 4:** Tree Felling and Ground-based Operations (60 GLH)
- **Unit 5:** Assisting Tree Climbing and Pruning Operations (30 GLH)
- **Unit 6:** Ecology of Trees, Woods and Forests (30 GLH)
- **Unit 7:** Practical Tree Work Skills (60 GLH)

The skills to succeed - the confidence to progress

Next steps for your learners...

Equipped with the skills, knowledge and experience to succeed in the forestry and arboriculture sector, BTEC-qualified candidates can choose where they go next.

- **Apprenticeship**
  - Forestry and Arboriculture apprenticeship

- **Employment**
  - Forest worker
  - Ground worker

- **Level 3 study**
  - Pearson BTEC Level 3 National Diploma in Forestry and Arboriculture

Download your specification for full details at quals.pearson.com/BTEC2TechForestry
BTEC Level 2 Technical Diploma in Horticulture (360 GLH)

Designed for learners looking to start a career in horticulture.

- Includes activities to help learners develop a range of horticulture skills to help them progress to employment or further technical study.

**Course materials**

To help you and your learners every step of the way, we’ve developed the course materials you need and more of what you told us you value most.

Whether you’re an experienced BTEC tutor or are new to the suite, you’ll find free content to help you plan, teach and prepare for assessment, as well as training events to get you set for the new courses.

---

**Plan**

- Get to know your courses

**Teach**

- Support for teaching and learning

**Assess and Track**

- Progress monitoring and preparation for assessments

**Develop**

- Training to help you make the most of your courses

---

**Specifications**

Detailed structure and unit-by-unit breakdown of content, learning aims and suggestions for activities.

**Sample Assessment Materials**

Provide you with examples of what will be required for externally assessed units.

**Schemes of Learning**

Provide suggested teaching and learning activities along with estimated teaching time required for each unit.

**Delivery plans**

Include examples of 6 month and 12 month options each with week-by-week breakdowns to help with planning and assessment.

---

**Guidance**

- Quality Assurance Handbook
- Standardisation Training
- Standards Verifier Visit
- Quality Review Visit
- Assessment guidance

**Examples of the Standard**

- Authorised Assignment Briefs
- Sample Marked Learner Work

---

**Templates and Tools**

- myBTEC: Assignments Wizard
- myBTEC: Progress Tracking

---

**Training Events**

We offer a range of training events both online and face-to-face including Network events where you can share ideas and best practice. See page 29 for details.

**CPD**

Our training events can also help towards your continued professional development.

Teaching BTEC Level 2 Technicals

myBTEC

We know that as a teacher workload can be an issue, that’s why to help you save time we have designed myBTEC, a unique free service that aims to reduce your admin workload.

What myBTEC can do for you:

- **Saves you time** – for example when Internally Verifying an assignment brief, at least 50% of the questions are answered for you
- **Reduces your workload** – for example your assessment plan is produced automatically from your assignment briefs in myBTEC
- **Automatic grade tracking calculations**, so you know your students are on track
- **Easily export and download all documents**, information and results
- **Gives you the complete visibility of all courses**, assessment, internal verification and results at your centre, so you can check progress at anytime.

Simply login at mybtec.pearson.com with your Edexcel online details.

Find out more at quals.pearson.com/myBTEC

Training

We offer a range of events to help you in every aspect of planning, teaching and assessing your BTEC courses.

To make it as easy as possible for you to benefit from our training, many of our face-to-face events are available as online sessions, and you can request any of our events to be delivered as paid-for events in your centre.

Our programme of events:

- make it easy for you to access BTEC training how, when and where you need it
- offer qualification-based and role-based courses so you can choose which event is right for you
- are delivered by experts passionate about training
- provide opportunities to network and share ideas and best practice.

What’s more, our flexible range of high quality training events not only support your delivery of BTEC courses, but also help towards your continued professional development.

Assessment

The combination of assessment types for BTEC Level 2 Technicals means your learners can draw on and apply all their knowledge and skills to realistic time-based tasks they'll also encounter in the workplace.

Assignments

- Set and marked by you (internal assessment)
  - The well-known BTEC assessment style.
  - Resubmission of evidence (to improve grade) may be allowed within 15 days of learners receiving their original grade.
  - If a submission or resubmission is not passed, one retake of a new assignment capped at Pass level may be allowed.

Task

- Completed in controlled conditions.
- Available four times a year from January 2018.
- One resit is allowed.

Note: Assessments will vary for each course. See your specifications for more assessment details.

Grading

A learner’s final grade reflects their achievements across all units in their BTEC Level 2 Technical course.

- Every unit is individually graded as Pass, Merit or Distinction and this grade is then converted to a point score.
- The total points scored across all units make up the final qualification grade.
- To achieve an overall qualification grade, learners must gain at least a Pass grade in all units.

This means that tutors and employers can be confident that learners have understood and mastered the key technical and transferable skills, and industry knowledge to progress with their next steps.

Example of qualification grade calculation for BTEC Level 2 Technicals

<table>
<thead>
<tr>
<th>Unit</th>
<th>GLH</th>
<th>Type</th>
<th>Grade</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>60</td>
<td>External</td>
<td>Merit</td>
<td>24</td>
</tr>
<tr>
<td>2</td>
<td>60</td>
<td>External</td>
<td>Merit</td>
<td>24</td>
</tr>
<tr>
<td>3</td>
<td>60</td>
<td>Internal</td>
<td>Distinction</td>
<td>32</td>
</tr>
<tr>
<td>4</td>
<td>60</td>
<td>Internal</td>
<td>Distinction</td>
<td>32</td>
</tr>
<tr>
<td>5</td>
<td>60</td>
<td>Internal</td>
<td>Distinction</td>
<td>32</td>
</tr>
<tr>
<td>6</td>
<td>60</td>
<td>Internal</td>
<td>Distinction</td>
<td>32</td>
</tr>
</tbody>
</table>

The total points scored across all units make up the final qualification grade. To achieve an overall qualification grade, learners must gain at least a Pass grade in all units.

The learner has sufficient points for a DD grade.

BTEC for Level 2

In addition to the new BTEC Level 2 Technicals, our tried-and-trusted BTEC Firsts are also still available.

Also available for your post-16 Level 2 learners

BTEC Firsts

BTEC Firsts continue to be popular, offering learners progression routes to further study, an apprenticeship or employment.

If you’re already teaching BTEC Firsts, you can continue to offer these for learners registering in September 2018 and 2019 or you can choose to progress to the new BTEC Level 2 Technicals.

For more information contact our subject advisors who will be happy to help with any information about delivering these qualifications, or any questions you may have about teaching the new BTEC Level 2 Technicals. (See page 31 for their contact details.)

Available in a range of sizes, the following BTEC Firsts are available for the land-based studies sector*:

- BTEC Firsts in Agriculture (2012)
- BTEC Firsts in Animal Care (2015)
- BTEC Firsts in Countryside and Environment (2010)
- BTEC Firsts in Fish Husbandry (2011)
- BTEC Firsts in Floristry (2010)
- BTEC Firsts in Horse Care (2010)
- BTEC Firsts in Land-based Technology (2010)

*Please see web page for details of last registration dates.

Download your specification at quals.pearson.com/BTECFirstsGuide
BTEC for Levels 1 and 3

We’ve also developed a range of BTEC land-based sector qualifications for Level 1 and Level 3 learners.

For Level 1 post-16 learners

BTEC Level 1 Introductory qualifications

Graded, unit-based qualifications designed to develop transferable and sector skills so your post-16 learners can progress to further study, apprenticeships or training.

BTEC Level 1 Introductory qualifications are available for:

- Land-based Studies
- Vocational Studies

For Level 3 post-16 learners

BTEC Level 3 Nationals

Modern, work-related qualifications with clear purpose and defined progression routes into higher education or employment.

BTEC Level 3 Nationals qualifications for the land-based sectors are available for:

- Agriculture
- Animal Management
- Countryside Management
- Equine management
- Forestry and Arboriculture
- Horticulture
