A level assessment grid – practical work and annotation

We recommend using the A level Practical Performance Calculator to establish a mark for each Assessment Objective. Marks should then be transferred to the assessment grids below.

The following grid relates to **all A level student practical work and annotation**, and should be used to mark all titles. The grid assesses all four Assessment Objectives equally. All four Assessment Objectives must be met in each component. A mark out of 18 should be awarded for each Assessment Objective. The four Assessment Objective marks should then be added together to give a total mark out of 72 for practical work and annotation in each component.
