

AS and A level Economics A

“Studying Economics will not only ensure you stay up to date with current issues; you will also develop the facilities to critically analyse a range of issues in finance, business and politics.”

Economics student

Economics A is the right subject for you if you enjoy:

- debating economic issues such as inequality, immigration and how we should pay for healthcare
- using and interpreting data to analyse economic problems
- discussing alternative courses of action
- keeping up to date with national and international trends
