

NEW

Brand-new resources for

Edexcel AS and A level **Economics**

Support for the new Edexcel AS and A level Economics A specifications for first teaching from September 2015.

Our Student Book:

- develops students' skills in research and independent learning, applying knowledge, thinking like an economist and the critical thinking to support effective progression to Higher Education
- provides coverage of new and updated content to better support the development of quantitative skills, synoptical, evaluative and analytical skills, helping to develop students' conceptual understanding of each topic
- enhances the maths provision and develops greater confidence in using maths, for example as evidence to support arguments
- is accompanied by an ActiveBook (ebook), giving students an easy way to personalise their learning as they progress through the course, and is perfect for revision.

Our Teacher Pack:

- delivered as a download, offers support materials and contains answers to all the Student Book activities.

A Kindle edition of the Student Book will also be available.
First titles available from Summer 2015.
