Edexcel AS and A level Geography

We've made some minor amendments to our AS Geography sample assessment materials (SAMs) and A level Geography specification and SAMs. The updated course materials are available to [download now](#).

What has changed

- On page 10 of the AS Geography SAMs a correction has been made to one of the multiple choice options in Paper 1 Q2b(ii).
- The contents page in the A level Geography SAMs has been corrected so that it now includes Paper 3.
- On page 71 of the A level Geography specification a correction has been made to the malpractice rules for guidance that can be provided on the Independent Investigation.
- On page 113 a correction has been made to the information about Discount Codes.

If you need further information about these changes or what they mean, contact your subject advisor Jon Wolton by emailing teachinggeography@pearson.com.
