**Question 1 continues on next page**

\*(e) Discuss the significance of lifestyle choices on Jenna's health and well-being.

(10)

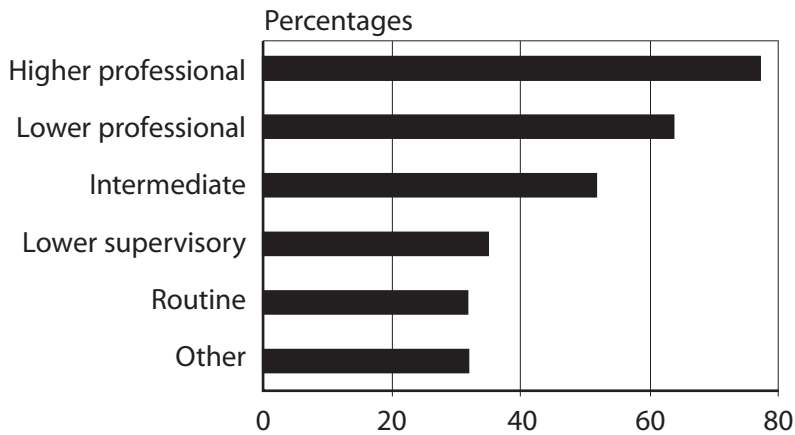

A series of horizontal dotted lines for writing the answer.

- 2 Parental and family circumstances impact upon GCSE attainment. In 2002, 77 per cent of children in year 11 in England and Wales with parents in higher professional occupations gained five or more A\* to C grade GCSEs. This was more than double the proportion for children with parents in routine occupations (32 per cent).

**Attainment of five or more GCSE grades A\* to C: by parental NS-SEC, 2002, England and Wales**

<http://www.statistics.gov.uk>

- (a) Define what is meant by 'social class'.

(2)

.....

.....

.....

.....

- (b) Identify **two** factors that are frequently used to determine a person's social class.

(2)

1 .....

.....

2 .....

.....

\*(c) Using the information given and your own knowledge, explain the extent to which a parent's social class may affect their child's educational attainment.

(8)

A series of horizontal dotted lines for writing the answer.

\*(d) Discuss the connection between social class and morbidity rates.

(8)

A series of horizontal dotted lines for writing the answer.

**Question 2 continues on next page**

\*(e) Discuss the links between ethnicity and educational attainment.

(10)

A series of horizontal dotted lines for writing the answer.

Handwriting practice area with 15 horizontal dotted lines.

**(Total for Question 2 = 30 marks)**

**3** Lizzie is 78 years old. Following the death of her husband last year, she moved in with her son Daniel and his wife Rebecca. Lizzie has just been diagnosed with dementia.

Lizzie is going to spend two weeks in a respite care home to give the family a much needed break. The family and Lizzie are anxious about her stay in the care home.

The Practice Manager at the home has arranged a meeting with Lizzie, Daniel and Rebecca, to answer any questions regarding the proposed stay.

(a) The home promotes a person-centred approach to care.

Define what is meant by a person-centred approach.

(2)

.....

.....

.....

.....

(b) Lizzie was married for 55 years.

Explain how having a close relationship could affect a person's emotional development.

(4)
