

GCE Physical Education 8PE01/9PE01

Approved Activities – June 2014

The following activities have previously been applied for, and approved, for delivery for the current specification for GCE Physical Education.

The listed activities are in addition to those already in the GCE Physical Education internal assessment guide (page 52).

This list will be updated as and when more activities have been approved.

Centres must assess candidates using the generic assessment criteria (pages 29-32 and 61-64). Activity specific criteria has not been produced.

For approval to deliver an activity not listed within the Internal Assessment Guide or shown below, please complete the AA1 form and send it to the PE Assessment Team – physicaleducation@pearson.com.

Activity	Forbidden combinations / other information
Cheerleading	
Handball	
Tetrathlon	Clay target shooting, Triathlon, Swimming (competitive), cycling, cross country, individual athletic events which make up Tetrathlon and/or Triathlon
Triathlon	Swimming (competitive), cycling, cross country, individual athletic events which make up Triathlon and/or Tetrathlon
Tag Rugby	Rugby, Rugby Union
Softball	Rounders, Baseball

Polo cross	
Wrestling	
Points based Kickboxing	Any form where the intention is to injury will not be accepted, and if offered for assessment will be scored '0'.
Kendo	
Power lifting	
Ten pin bowling	

If centres have been given permission to deliver activities for the current specification, that are not listed above, please contact the PE assessment, and the activity may be added to the list.

Please note, if centres offer activities not included in the list above, the evidence may not be allowed to contribute to the final mark given to the affected candidates.

The following activities have **not been approved for delivery and assessment for GCE Physical Education:**

- Fitness
- Mounted Games
- Weight training
