|--|
| <b>Activity:</b><br><br><b>Football</b><br><b>(yellow bib 3; red shirt 10)</b> |
|--|

| Aspect of performance   | Comments |
|---|----------|
| Initial judgement of the quality of the performance.                                |          |
| How well has the candidate mastered the key skills of the activity?                 |          |
| Are there many unforced errors?   |          |
| How consistent is the performance?  |          |
| Are the skills shown basic or more advanced? How well are advanced skills executed? |          |
| Level of demand for the practices shown?  |          |
| Overall standard of the performance?  |          |

|   |  |
|---|--|
| Which mark band do you think the performance best fits?   |  |
| If completing the work <i>individually</i> , try to find time look at the formal/competitive performance again before finalising your mark, below.<br><i>(You might also wish to take account of marks awarded previously and what you have observed on the website.)</i> |  |
| If this is a group / department exercise, discuss with colleagues.<br>Refine your mark and note below.<br><i>(You might also wish to take account of marks awarded previously and what you have observed on the website.)</i>   |  |
| <b>Final mark</b>   |  |
| <b>Questions to raise in subsequent modules.</b>  |  |
