## About this event

---

**Course Title:** Edexcel A level Physics – Mocks Marking Training

**Course Code:** 16BAS08

---

## Aims and Objectives of the event

This face to face event is designed for teachers who are delivering the new Pearson Edexcel A level Physics for assessment in 2017.

During the event delegates will:

- Understand the assessment requirements of the new specification
- Explore the paper structure and new types of questions
- Review student responses to questions and understand how to accurately apply the mark scheme
- Understand how we can support you
- Be able to ask questions and share good practice

Please note, in these events we are not able to discuss any centre or candidate-specific issues.

Pearson has reviewed the format and content of all its training events to ensure that the security of its examinations cannot be compromised.

This event can count as 5 hours of CPD.
