

2 Assess the Jewish response to the challenge of secularisation.

Orthodox - reject
(12)

The Challenge of secularisation has put emphasis + ~~ext~~ ^{only} responses which the way to embrace secularisation as they believe it would be beneficial for modernity the Jewish faith, whereas more orthodox responses believe secularisation is a threat to traditional Jewish principles. This essay will assess the Jewish response to secularisation and conclude whether they are ~~is~~ valid.

One ~~response to~~ the Jewish response to the challenge of secularisation is from Orthodox Judaism who believe secularisation is a threat to Judaism ~~the the~~ ~~presence~~ as they by and large Orthodox beliefs and values. "These authors are largely departing from tradition" the Haskalah Reform ~~the~~ viewpoint of secularisation differs greatly as they want to embrace secularisation to enable Judaism to modernise its cultural identity.

Overall ~~several~~ Jewish responses to secularisation are valid.
