Investigating the Economic Environment and Business

Context

This year the context is **globalisation**.

Research

To prepare for this year's context, you should research:

- the history of globalisation and key factors in its growth over the last 50 years
- the impact of globalisation on individuals, businesses and local and national economies
- the advantages and disadvantages of globalisation
- the links between globalisation, trade and economic growth for developed and developing economies
- the impact of globalisation on labour and inequality.

You **cannot** take any of your research or investigation data carried out as part of the pre-release into the examination.
