Investigating the Economic Environment and Business

Context

This year the context is **economic conflict and trade-offs**.

Research

To prepare for this context, you should research:

- the nature of economic conflict and trade-offs
- how markets might create economic conflict and trade-offs
- how economic policies and regulations might create economic conflict and trade-offs
- the impact of economic conflict and trade-offs on the economy, firms and individuals
- the extent to which economic conflict and trade-offs can be avoided.

You **cannot** take any of your research or investigation data carried out as part of pre-release into the examination.
