Investigating the Economic Environment and Business

Context

This year the context is **labour**.

Research

To prepare for this year's context, you should research:

- the role and importance of labour in production and economic systems
- labour markets: local, national and global
- employment and unemployment
- the impact of government and economic policies on labour
- the changing role of labour: past, present and future.

You **cannot** take any of your research or investigation data carried out as part of the pre-release into the examination.
