Investigating the Economic Environment and Business

CONTEXT

This year the context is ECONOMIC GROWTH.

RESEARCH

To prepare for this year's context, you should research:

- **how economies and firms grow**
- **how economic growth is measured and how different economies have grown**
- **factors that may lead to economic growth**
- **the impact of economic growth on individuals, firms, economies and the global economy**
- **how growth may be influenced by financial institutions, organisations, firms, trading blocs and governments.**

You CANNOT take any of your research or investigation data carried out as part of the pre-release into the examination.
