Ref: Letter of support for the Pearson BTEC Level 2 Technical Certificate in Adult Care

Dear Dionne,

Hertfordshire County Council offers recognition and support of the following qualification:

Pearson BTEC Level 2 Technical Certificate in Adult Care

The qualification will support learners to progress to employment in an adult care setting, in roles such as an Adult Care Worker or Personal Assistant

The qualification will offer progression to an apprenticeship and further learning in an adult care setting

The qualification offers the appropriate development of skills and knowledge at level 2, in order to prepare learners who wish to work in an adult care setting, the following skills and knowledge contained in the qualification are essential for the adult care sector

Principles and practices of working in adult care settings

Communicate and handle information in adult care settings

Contribute to health, safety and safeguarding in adult care settings

Develop professional practice skills for work in adult care settings

The skills, behaviours, knowledge, work placement presented in the qualification and how they are assessed meet our needs as a sector.

Yours sincerely
