Dear Deidre,

Letter of support for the Pearson BTEC Level 2 Technical Diploma in Children's Play, Learning and Development (Early Years Assistant)

The Children's Workshop – A Foundation Stage Pre-School

As an early years setting and employer in the sector we offer our recognition and support of the following qualification:

Pearson BTEC Level 2 Technical Diploma in Children's Play, Learning and Development (Early Years Assistant)

The qualification will support learners to progress to employment in early years and childcare settings, into supervised roles such as preschool assistants and nursery assistants.

As an employer we look for the following skills for people starting to work in the sector:

- Presentable,
- good communication,
- reliable,
- flexible,
- good time management,
- Willing to contribute ideas and a team worker.
- New recruits must enjoy working with children
- Need to be literate, numerate and communicate clearly both verbally and in written form.

The skills, behaviours, knowledge, work placement presented in the qualification and how they are assessed meet our needs as an employer and will also prepare learners to progress further to Early Year Educator Apprenticeships.

Yours sincerely,

Sarah Abrahams
Senior Manager
