Dear Lesley Davies,

Letter of support for the Pearson BTEC Level 2 Technical Diploma in Laboratory Science

As an employer in the sector, we confirm that this qualification will provide learners with specialist knowledge and will give them the opportunities to develop the skills and behaviours that employers in the industry are looking for:

Pearson BTEC Level 2 Technical Diploma in Laboratory Science

The qualification will also support the individual, should they chose to progress to further training via a level 3 qualification or an apprenticeship, and is a good preparation for either progression route.

Yours sincerely,

Sylvia Blake | Interim Blood Sciences Service Manager
The Christie Pathology Partnership
