Assessment, page 88

It is no longer necessary to produce a video recording as evidence for assessment criteria 2.1, 2.2, 3.1 and 3.2. Paragraph 4 of this section should now read:

‘For assessment criteria 2.1, 2.2, 3.1 and 3.2, learner work must be accompanied by other supporting evidence, for example a video or work-placement supervisor witness testimony or observation statement.’
