

Next generation BTEC Firsts: With you every step of the way

We're providing more support than ever before to help you get off to a great start.

Our comprehensive online specification packs include a wide range of support to help you plan, deliver and assess BTEC with confidence.

Specification

Giving you clear, handy guidance on the unit-by-unit content.

Sample Assessment Materials (SAMs)

External assessment is new to BTEC, and these SAMs provide you with examples so you can help your learners prepare for and take assessment with confidence.

Delivery guide

A companion to the specification that contains a wealth of ideas for practical activities, useful advice about external assessment and top tips to help you find new, engaging ways to deliver the BTEC programme.

Study Skills Activities

A range of case studies and activities, designed to help learners develop the skills they will need to successfully complete their BTEC course.

Pearson Authorised Assignment Briefs

A range of assignment briefs you can use 'off the shelf' or edit to adapt to suit your course.

Sample marked learner work

Graded examples provide guidance on what is expected to achieve Pass, Merit and Distinction.

Sample schemes of work

For core units to help you plan your teaching.

Mapping grids

Provide a comparison between existing BTEC First Awards and the next generation qualifications, so you can plan for the new structure more easily.

Getting started guide

Provides essential advice, top tips and a range of tools to help you plan and deliver the next generation BTEC Firsts.

Information about secure downloads:

Some of our support documents are available via secure download, indicated by the padlock icon next to the download link. In order to download these documents you'll need your Edexcel Online login details to hand. If you don't know these please speak to your Exams Officer.
