Dear Adam

The National Farmers Union, which is the trade association representing farmers and growers, recognise the following qualification as being fit for purpose and confirms occupational competence in a range of job roles within the Agricultural Industry:

**500/9547/X Pearson BTEC Level 2 Diploma in Agriculture (QCF)**

**500/9932/2 Pearson BTEC Level 2 Extended Certificate in Agriculture (QCF)**

The qualification will also support the employee, should they chose to progress in to further training, to assist them with their own development and progression in the workplace.

We are happy for Pearson to use this letter in support of its work with the Skills Funding Agency, to ensure that this invaluable qualification can continue to be funded.

Yours sincerely
