7th September 2015

Dear Danielle

As an employer in the sector, we recognise the following qualification as being fit for purpose and appropriate for our employees to undertake:

500/8331/4 - Pearson BTEC Level 2 Extended Certificate in Animal Care (QCF)

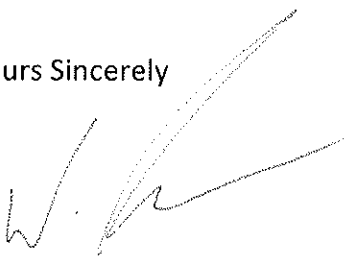

The qualification when achieved at level 2 will support learners to progress to employment or within employment in a wide range of job roles across the industry, for example as a trainee animal handler or an animal care worker.

For such roles, we believe that this qualification provides an appropriate level of knowledge and skills, meeting the needs of the business and the individual, ensuring employees are appropriately skilled for the job and able to deliver to the standard that the sector expects.

The qualification will also support the individual, should they choose to progress to further training.

We are happy for Pearson to use this letter in support of its work with government and its agencies to ensure that this invaluable qualification can continue to be recognised for college performance and 19+ funding.

Yours Sincerely
