

Next generation BTEC First Diploma in Health & Social Care With Placement (NQF)*

Sample One Year Delivery Plan

Clear unit planning and understanding of key deadlines are essential for a successful delivery programme.

We have produced a sample delivery plan showing how the next generation **BTEC First Diploma in Health and Social Care With Placement (NQF)** could be delivered over one year, highlighting assessment milestones and indicating where you can co-teach units.

The plan is intended to be used as guidance.
