Dear Sir/Madam

Erratum notice - BTEC Firsts in Horticulture (First teaching September 2010)

Please note that the above specification has been amended on pages 235 and 254, specifically:

- On pages 33 to 43, *Unit 2: Understand the Basic Principles of Soil Science*, the agricultural references have been removed and merit and distinction criteria revised as a result.
- On page 235, *Unit 18: Tractor Driving*, the credit value is 5 and the guided learning hours are 30.
- On page 254, the Assessment guidance has been revised to better fit the nine pass criteria for *Unit 19: Introduction to Animal and Plant Biology*.

An amended version the specification (Issue 2) can be viewed at:
