Dear Mr Warnes

Pearson BTEC and Edexcel qualifications at levels 1 and 2

I can confirm that for the purposes of progression to 16+ study, the qualifications listed below will be considered equally alongside GCSE qualifications in meeting our entry requirements. They will give students access to a wide range of courses, both academic and vocational. We have found that offering BTEC qualifications has been a significant contributor to enabling our students to progress onto university post 18 and enhancing their life chances for future employment. These vocational courses have also allowed us to develop links within our community, for example with a local hospital to enhance the students learning experience and future progression.

Yours sincerely

Diane Ross
