

June 2011

Dear Colleague

**RE: BTEC Firsts specification in Travel and Tourism (First teaching September 2010) - amendment to specification**

I am writing to inform you that Issue 3 of the specification for the Edexcel BTEC Level 2 Certificate, Extended Certificate and Diploma in Travel and Tourism (QCF) qualifications has now been superseded by an Issue 4.

The table below shows a summary of the amendments made to the Issue 3 version:

Page number	Unit title	Amendment
Pg 243	Unit 20 - Travel and Tourism Group Project	Ofqual unit code has been corrected to read 'H/502/3709'
Pg 251	Unit 21 - Work Experience in Travel and Tourism	The learning outcomes have been corrected to match those on the following pages: 1 Know about the company or organisation where they plan to do the work placement 2 <u>Know what they are expected to do whilst on placement</u> 3 <u>Be able to carry out a period of work experience</u> 4 <u>Understand the purpose of work placement</u>

The Issue 4 specification, with these amendments sidelined, is now on our website at <http://www.edexcel.com/quals/firsts10/travel/Pages/default.aspx>

We apologise for any inconvenience that this may cause.

Yours faithfully

Martin Stretton  
Head of Qualification Development
