

Amendment Notice for Pearson BTEC Higher Nationals (2010 suite):

Due to the replacement of the Qualifications and Credit Framework (QCF) by the Regulated Qualifications Framework (RQF), references to the QCF and to its predecessor, the National Qualifications Framework (NQF) have been removed from the text of the 2010 suite of Pearson BTEC Higher Nationals specifications. In addition, Pearson has assigned Total Qualification Time (TQT) in hours to this qualification; this is covered in the section entitled 'Programme design and delivery' of the specifications.
