Dear Geoffrey,

BTEC Higher Nationals in Construction

I am writing to advise that the Joint Board of Moderators Sub-Committee on behalf of the JBM member institutions (the Institution of Civil Engineers, the Institution of Structural Engineers, the Chartered Institution of Highways and Transportation and the Institute of Highway Engineers) has approved the recommendations below:

It is recommended that the following programme be approved by the ICE, IStructE, CIHT and IHE as fully satisfying the educational base for an Engineering Technician (EngTech) for the intake years **2019 – 2021**.

BTEC HNC in Construction (1 year FT 2 years PT)

It is recommended that the programmes listed below be accredited by ICE, IStructE, IHE and CIHT as part satisfying the academic base for a Incorporated Engineer, and as fully satisfying the academic base for an Engineering Technician, under the provisions of UK-SPEC for the intakes **2019 - 2021**. Graduates from these programmes will be required to complete approved IEng Further Learning to satisfy the academic base requirement for an Incorporated Engineer:

BTEC HND in Construction (2 years FT, 4 years PT)

Please contact me if you have any queries regarding this matter.

Yours sincerely,

Tim Ibell
Chair
