Designed to take you further

The HN in Esports is designed to reflect the increasing need for high quality professional and technical qualifications at levels 4 and 5, equivalent to the first 2 years of an undergraduate degree, providing students with a clear line of sight to the workforce, or progression to a degree at level 6.

Why choose BTEC Higher Nationals in Esports?

The HN in Esports has been developed closely with relevant employers, university and further education tutors and professional bodies, ensuring alignment with recognised professional standards, helping students progress with their lifelong learning journey.

Embark on your esports journey!

Discover the thrilling world of esports with our comprehensive course designed to equip you with the skills and knowledge needed to excel in this dynamic industry.

Master the art of competitive gaming

Explore the fundamentals of esports, from game mechanics and strategy to team dynamics and tournament management, in an engaging and interactive learning environment.
