

Higher Nationals in Sport/Sport and Exercise Science

Sector Network Event
(Online)

Date: May 11th 2020

Aims of this Event

- **Explore subject-related resources available through HNGlobal and other useful online sources to support adapted delivery**
- **Review national updates and sector guidance useful for planning, delivery and assessment**
- **Understand HN Assessment and Awarding updates and guidance for your programme**
- **Share and discuss resources and strategies that you have found useful**
- **Get answers to common questions from Pearson subject matter experts**

**Exploring Online
Resources to Support
Learning in Sport and
Sport and Exercise
Science
HN Global & other
websites**

Dedicated online learning platform for all BTEC Higher National students and centres.

- **Textbooks and Resource Areas** - created to support your subject core units
- [Careers Centre](#) - where students can build on their employability skills
- [Short Courses \(including Study Skills\)](#) - learn key transferable skills
- [Global Forum](#) - discuss common themes
- [Student Channel](#) - informative clips for your Higher National
- [Tutor Channel](#) - informative clips to support assessment and delivery
- [Reading Lists](#) - list of recommended resources for your programme
- [Delivery Materials](#) - resources to support tutors (*tutor access only*)

How can you sign-up?

Signing up is simple, you just need to complete a short self-registration form to create your own account, which will grant you access to the resources available to support your programme.

Tips for delivering online

Pearson collated research on effective online teaching. There are nine strategies used by successful educators:

1. Know the technology
2. Create and maintain a strong presence
3. Set clear expectations for the course
4. Establish a sense of comfort and develop a community of students
5. Promote reflection and communication through quality asynchronous discussion
6. Have a good balance of active leader and active observer
7. Request regular feedback and be cognizant of misinterpretation
8. Regularly check content resources and applications
9. Expect the unexpected and remain flexible

Sharing Resources and Strategies that Work

**Covid-19: National, Sector
and Pearson-specific
guidance related to
assessment and qualification
for the 2019-2020 series of
Higher Nationals.**

Covid-19: General Pearson Updates

Important Note: All updates and guidance below are current as of the date of this Event and are subject to change. Please check our website regularly for further updates.

Following our 9 April update about the [Ofqual announcement](#) that calculated results will be issued in summer for vocational, technical and other general qualifications that lead to further or higher education, [Ofqual has published its consultation](#) on how these qualifications will be graded and awarded.

The consultation covers many of Pearson's qualifications, which are delivered in the UK and internationally, including the **BTEC HNC/HND**. Ofqual's proposal is for Awarding Organisations, including Pearson, to decide how to award grades for vocational qualifications being delivered internationally.

Our priority remains to help learners progress to the next stage in their lives, and we will endeavour to award to as many learners as possible within best practice from Ofqual guidelines, as well as taking account of local regulations. Please see our updated FAQs for vocational and technical qualifications [here](#) for further details.

We want to make sure that we are doing everything we can to best support you and your learners at this time. Our website is updated daily with the latest news, advice and guidance and our free online resource offers to enable learning to continue for the rest of the academic year. If you have any further questions, please contact your Pearson representative.

COVID-19 Teaching and Assessment Guidance for BTEC Higher Nationals

Important Note: All updates and guidance below are current as of the date of this Event and are subject to change. Please check our website regularly for further updates.

Latest HN Teaching and Assessment Guidance

Pearson Higher Education Qualifications have produced a detailed guidance document to support you in maintaining your provision in the new environment and on progressing students into study in 2021.

We continue to work with Ofqual to establish how centres should deal with the certification of students in summer 2020 where they are unable to complete student teaching and assessment this year and we will communicate with you as soon as we have more detail to share.

We know you'll have many questions and we are here to support you. You can contact us via [Pearson Support](#).

Further details:

The guidance document includes useful tips and resources to support alternative approaches to assessment and delivery:

- ✓ How to approach course design
- ✓ How to approach selection of an alternative BTEC Higher National Unit
- ✓ How to approach research
- ✓ How to approach groupwork
- ✓ How to approach the use of alternative software
- ✓ How to approach laboratory work
- ✓ How to approach work experience
- ✓ How to approach presentations
- ✓ Sector-specific guidance

Covid-19: Assessing and Awarding Higher Nationals in Sport and SAES

Important Note: All updates and guidance below are current as of the date of this Event and are subject to change. Please check our website regularly for further updates.

Latest Sport/SAES HN Updates

Centres are reminded that where units require work experience or work placements, hours are not currently set and at this time are recommendations only. If students have evidenced the required work, the placement hours are flexible and at the discretion of the centre.

Where coaching and activity leadership sessions are required these may be delivered by the student who could practically demonstrate a coaching/activity session to a family member (s) who could then provide a witness testimony, evaluation and feedback.

Latest Sport/SAES HN Updates

For **Unit 6: Training, Fitness, Testing:** the student could use pre-existing data collected and assessors could present this in the assignment brief as an identified task for interpretation.

For completion of practical work such as **Unit 7: Inclusive Sport, Unit 18: Working with Young People**, centres should consider where virtual planned sessions linked to special populations/children/elderly may be integrated into an amended/adapted assignment brief.

Latest Sport/SAES HN Updates

For **Unit 5: Coaching Practice & Skill Development** the centre may wish to draw on pre-published video materials that will enable the student to analyse different coaches working in different environments

For Centres could provide a case study **Unit 19: Expedition Leadership** and **Unit 20: Residential Leadership Activity**, that includes tasks specifically to address how a student could 'demonstrate' potentially with a team task that would show leadership skills.

Latest Sport/SAES HN Updates

For **Unit 35: Teaching Practice**, the student can plan a short series of face to face short teaching sessions or virtual sessions where the students are recorded and the assessor can provide summative feedback.

For **Unit 31: Event Management** the student could set up an event that is delivered in the home working environment or offered remotely to peers/family and receive feedback from the participants – there is no need for a minimum number of group members for the event.

Covid-19: Higher Nationals Supplementary Guidance

Important Note: All updates and guidance below are current as of the date of this Event and are subject to change. Please check our website regularly for further updates.

Covid-19 Higher Nationals Supplementary Guidance

Pearson Higher Education Qualifications have produced detailed guidance to support you in understanding how the assessment and awarding adaptations as a result of Covid-19 affect you and your students.

These include useful tips and resources to support alternative approaches to assessment and delivery and can be found here.

For centres whose BTEC Higher National Programme is being used as a mandatory qualification for a Higher Apprenticeship, specific guidance regarding Pearson Apprenticeships can be found here.

This guidance is being reviewed and updated on a regular basis as more information and guidance is produced as a result of discussions with qualification regulators and awarding organisations.

Q&A

Training Events

In addition to course materials and support services, we also regularly run training events to help you successfully deliver your course.

Whether you're new to Higher Nationals, need a refresher or want to know more about the BTEC Higher Nationals RQF qualifications, we've a range of events to help.

Visit our training page for the latest events and check back regularly as we are constantly updating our calendar of events.
