Dear Adam

Level 3 BTEC qualifications in Engineering

Thank you for your recent email. I was pleased to learn that Pearson is intending to submit the Level 3 BTEC qualifications listed in Schedule A for inclusion as 'occupational qualifications' in the 2016 tables for 16-19 accountability.

In providing evidence and advice on 16-19 reforms to the Department for Education, the Royal Academy of Engineering has taken the view that the Level 3 Engineering qualifications listed by DfE for use in 16-19 accountability measures should be those that are approved by one or more Professional Engineering Institutions for the EngTech (or ICTtech) standard and listed on the Engineering Council website. In our view, those qualifications listed in Schedule A that have that status should be listed in the 2016 DfE lists.

Yours sincerely

Professor Matthew Harrison, Director, Engineering and Education
