Dear James

Letter of Recognition – BTEC National Diplomas (Animal Management)

As a large veterinary group dealing with pets, farm animals and horses and thus obviously an employer in the sector, we recognise the following qualifications as being fit for purpose:

601/0563/X - Pearson BTEC Level 3 90-credit Diploma in Animal Management (QCF)
500/8243/7 - Pearson BTEC Level 3 Subsidiary Diploma in Animal Management (QCF)
500/8311/9 - Pearson BTEC Level 3 Diploma in Animal Management (QCF)
500/8265/6 - Pearson BTEC Level 3 Extended Diploma in Animal Management (QCF)

We believe that these qualifications develop and confirm specialist knowledge and skills in the sector, to a standard that can be reasonably expected of an 18 year old in full time education.

These qualifications we feel will give students an advantage when applying for related jobs in animal care and management or further training.

We are happy for the company's name and web address to be made available on the DfE, and Pearson, websites to confirm that we recognise the qualifications.

Yours sincerely
