Dear Mr Bristow,

I can confirm that the University of Manchester will consider the following qualifications as contributing to the entry requirements for some of our degree programmes. There is no guarantee that we would accept every qualification in every case. Any offers made would be dependent on the overall profile of the applicant and decisions depend on a number of factors. The subject(s) studied by the applicant should be relevant to the particular degree course for which the applicant has applied. In some cases we expect candidates to offer other specific qualifications and/or to achieve specific levels of attainment in pre-requisite subjects, or units. In some cases, an interview will be required.
