Dear Lesley Davies

On behalf of Edge Hill University, I would like to confirm that we will recognise the following qualifications as fulfilling the entry requirements to a range of our higher education courses in related subject areas, either by meeting entry requirements in their own right or being accepted alongside other qualifications at the same level:

- BTEC Level 3 National Certificate in Applied Law
- BTEC Level 3 National Extended Certificate in Applied Law

We welcome the inclusion of external assessment in these qualifications. Also, the introduction of a larger mandatory core, comprising over half of each qualification, will provide students with a solid foundation. This means that all students will study a broad and common element of content.

In the past, we have recruited students with Pearson BTEC National qualifications similar to those listed above on to our degree programmes in Law, Criminology and Sociology.

I am happy for this letter to be made public on the Pearson websites to confirm our support for the qualifications.

Yours sincerely

Anne Wilson (Mrs)
