Dear Laura

Letter of support for:

Pearson BTEC Level 3 National Certificate in Applied Law
Pearson BTEC Level 3 National Extended Certificate in Applied Law

As an employer in the sector, we recognise the following qualification as being fit for purpose:

Pearson BTEC Level 3 National Certificate in Applied Law
Pearson BTEC Level 3 National Extended Certificate in Applied Law

We confirm that this qualification will provide learners with the relevant legal knowledge at this level, whilst giving them the opportunities to develop the skills and behaviours that employers in the industry are looking for, and to enable progression into employment directly, or via higher education.

These include:

- 1) An excellent overview and introduction to law for the post 16 age range
- 2) A good course of study for the preparation of the learner to enter a law practice at 18
- 3) A comprehensive and robust process for testing learners knowledge
- 4) A good choice of assessment techniques to prepare learners for the life of work or higher education

The qualification will also support the individual, should they choose to progress into further training and we fully support this qualification and welcome applications for employment from learners who have successfully completed it.

Yours sincerely
