Dear Colleague

Erratum Notification

Edexcel BTEC Level 3 National Diploma in Art and Design (Design Crafts)

Please note that there is an error on pages 57 and 58 of the published paper version of the specification for the Edexcel BTEC Level 3 Nationals in Art and Design (QCF). The list of Optional units (Professional specialist) on page 57 should end after *Unit 22: Setting up an Art and Design Studio*, and the list of Optional units (Design Crafts specialist) on page 58 should be as given below.

The specification on the CD Rom that accompanies the paper version is correct, and the specification posted on the Edexcel website (www.edexcel.com) is also correct.

I would be grateful if you would inform the relevant staff of this situation. Please accept our apologies if this has caused any difficulties for your staff or learners.

Yours sincerely

Roger Beard
