Dear Laura

Letter of support for the Pearson *BTEC Nationals in Business and BTEC Nationals in Enterprise and Entrepreneurship*

As an employer in the sector, we recognise the following qualifications as being fit for purpose:

BTEC National Extended Diploma in Business
BTEC National Diploma in Business
BTEC National Foundation Diploma in Business
BTEC National Extended Certificate in Business
BTEC National Certificate in Business

BTEC National Diploma in Enterprise and Entrepreneurship
BTEC National Extended Certificate in Enterprise and Entrepreneurship
BTEC National Certificate in Enterprise and Entrepreneurship

The qualifications will support learners to progress to employment or within employment in a range of job roles across the industry, for example in junior management programmes or higher apprenticeships in business administration, finance, marketing, enterprise or sales.

For such roles, we believe that these qualifications provide an appropriate level of knowledge and skills, meeting the needs of the business and the individual, ensuring employees are appropriately skilled for the job and able to deliver to the standard that the sector expects.

The qualification will also support the individual, should they chose to progress into further training. On completion of this qualification it would help an individual directly as they could progress onto HE or a Higher Apprenticeship. An example being the L5 Higher Apprenticeship in Business Innovation and Growth as the L3 will give them the skills, attributes and business acumen required to work in the business and contribute directly to it, as an employee

Yours sincerely
