Dear Mr Anderson

As a Higher Education Institution, we will recognise the following qualifications as fulfilling entry requirements to a range of our higher education courses in related subject areas, either by meeting entry requirements in their own right or being accepted alongside other qualifications at the same level:

Pearson BTEC Level 3 National Certificate in Business
Pearson BTEC Level 3 National Extended Certificate in Business
Pearson BTEC Level 3 National Foundation Diploma in Business
Pearson BTEC Level 3 National Diploma in Business
Pearson BTEC Level 3 National Extended Diploma in Business

We welcome the inclusion of external assessment in these qualifications. Also, the introduction of a larger mandatory core, comprising over half of each qualification, will provide students with a solid foundation. This means that all students will study a broad and common element of content, and therefore the wide range of options offered in the larger qualifications will be helpful in allowing students to explore areas in which they may wish to specialise at degree level.

In addition, we will recognise the following more specialist business-related qualifications as fulfilling entry requirements to certain of our higher education courses in related subject areas, either by meeting entry requirements in their own right or being accepted alongside other qualifications at the same level:

Pearson BTEC Level 3 National Diploma in Retail
Pearson BTEC Level 3 National Certificate in Enterprise and Entrepreneurship
Pearson BTEC Level 3 National Extended Certificate in Enterprise and Entrepreneurship
Pearson BTEC Level 3 National Diploma in Enterprise and Entrepreneurship

In the past, we have recruited students with Pearson BTEC National business-related qualifications similar to the nine listed above on to our degree programmes in Accounting & Finance, Business Management, Retail Management and Tourism Management.

I am happy for this letter to be made public on the Pearson websites to confirm our support for the qualifications.

Yours sincerely
