BTEC Level 3 Nationals in Children's Play, Learning and Development
Get ready for external assessment
Your quick-reference support guide for teachers and tutors
Why have we created this guide?

We have created this easy-to-use guide to bring together details of all the support materials and key information you can use to help prepare your learners for the external assessments in the Sport sector, provided at a unit level.

We have also included within this guide a list of any changes from previous assessment windows which you should be aware of and included details of forthcoming support.

We would also suggest that you refer to the Instructions for Conducting External Assessments document. This guide provides you with the information you need to carry out external assessments for BTEC Nationals. It takes you through: what you need to do; who’s responsible at each stage and; gives additional advice and guidance around best practice. This document can be found [here](#).

Key changes to be aware of...

We would like to remind centres that the task-taking conditions for **Unit 2: Development of Children’s Communication, Literacy, and Numeracy Skills** in the BTEC Level 3 Nationals in Children’s Play, Learning and Development have changed for the January 2018 assessment onwards. The key change is that Part B will be undertaken in a Pearson timetabled session.

It is expected that some of learners’ preparatory work for Part A will be in scheduled lessons or timetabled sessions.

**What does this mean for you?**
These minor changes will not affect any teaching or preparation done to date. We recommend that you check the exam timetable to see the dates for the assessments to be undertaken.

These changes apply with immediate effect and apply from the January 2018 series onwards.
