Dear Adam Barrigan

As a representative within the sector I would like to offer my support for the following qualifications as meeting our needs and expectations for learners in the 16-19 age range:

Qualification Accreditation Number (QAN)	Qualification Title
500/8098/2	Pearson BTEC Level 3 Diploma in Electrical/Electronic Engineering (QCF)
500/8097/0	Pearson BTEC Level 3 Extended Diploma in Electrical/Electronic Engineering (QCF)
500/7319/9	Pearson BTEC Level 3 Diploma in Manufacturing Engineering (QCF)
500/7314/X	Pearson BTEC Level 3 Extended Diploma in Manufacturing Engineering (QCF)
500/7283/3	Pearson BTEC Level 3 Diploma in Mechanical Engineering (QCF)
500/7296/1	Pearson BTEC Level 3 Extended Diploma in Mechanical Engineering (QCF)
500/7315/1	Pearson BTEC Level 3 Diploma in Operations and Maintenance Engineering (QCF)
500/7317/5	Pearson BTEC Level 3 Extended Diploma in Operations and Maintenance Engineering (QCF)

The content within these qualifications prepares the learners for a career in this sector by providing a substantial number of units which represent the core competencies of the role alongside a range of options.

The qualifications develop the skills needed in the workplace and I support them for inclusion in the school and college performance tables for 16-19 year olds.

Yours
