Dear Laura

Letter of support for the Pearson *BTEC Nationals in Enterprise and Entrepreneurship*

As a professional body in the sector, we recognise the following qualifications as being fit for purpose:

Pearson BTEC National Foundation Diploma in Enterprise and Entrepreneurship
Pearson BTEC National Extended Diploma in Enterprise and Entrepreneurship

The qualifications will support learners to progress to employment or within employment in a range of job roles across the business industry, for example in junior management programmes or higher apprenticeships in business administration, finance, marketing, innovation and growth, enterprise or sales.

For such roles, we believe that these qualifications provide an appropriate level of knowledge and skills, meeting the needs of the business and the individual, ensuring employees are appropriately skilled for the job and able to deliver to the standard that the sector expects.

The qualification will also support the individual, should they chose to progress into further training. This could include the CIPD Level 3 or Level 4 qualifications.

Yours sincerely

Victoria Winkler
