Dear Ria,

RE: BTEC Supporting letter

As an employer within the sector and Local and Education Training Board, responsible for the planning, development, education and training of the healthcare and public health workforce in the South West region, we recognise the following qualifications as being fit for purpose:

- Pearson BTEC Subsidiary Diploma in Health and Social Care (QCF) – 500/9317/4
- Pearson BTEC 90-credit Diploma in Health and Social Care (QCF) - 600/6178/9
- Pearson BTEC Diploma in Health and Social Care (QCF) – 500/9465/8
- Pearson BTEC Extended Diploma in Health and Social Care (QCF) – 500/9501/8

We recognise these qualifications as developing and confirming specialist knowledge and skills in the sector, to a standard that can be reasonably expected of an 18 year old in full time education.

The qualifications will give students an advantage when applying for related jobs, apprenticeships or training.

I am happy for my company name and website to be made available on the DfE and Pearson websites to confirm our support for the qualifications.

Yours sincerely

Amanda Shobrook

Widening Participation and Apprenticeship Lead
