The qualifications will support learners to progress to employment or within employment in a range of job roles across the industry, for example:

- BTEC Level 3 National Foundation Diploma in Horticulture: gardener, assistant grounds keeper

The qualification will also support the individual, should they chose to progress in to further training.

We are happy for Pearson to use this letter in support of its work with government and its agencies, to ensure that this invaluable qualification can continue to be recognised for college performance tables and 19+ funding.

Yours sincerely
