27<sup>th</sup> January 2014.

James Emmett  
Head of Stakeholder Engagement (Employers)  
Pearson  
One90 High Holborn  
London. WC1V 7BH.

Dear James,

### **Letter of Recognition – BTEC National Diplomas (Land-Based Technology)**

As an employer in the sector, we recognise the following qualifications as being fit for purpose:

601/0565/3 – Pearson BTEC Level 3 90-credit Diploma in Land-based Technology (QCF)  
501.0314/3 – Pearson BTEC Level 3 Subsidiary Diploma in Land-based Technology (QCF)  
501/0299/0 – Pearson BTEC Level 3 Diploma in Land-based Technology (QCF)  
501/0236/9 – Pearson BTEC Level 3 Extended Diploma in Land-based Technology (QCF)

We believe that these qualifications develop and confirm specialist knowledge and skills in the sector, to a standard that can be reasonably expected on an 18 year in full time education.

The qualifications will give students an advantage when applying for related jobs or further training.

We are happy for the company's name and web address to be made available on the DfE and Pearson websites to confirm that we recognise the qualifications.

We are a limited company who have for many, many years always been active, annually, in employing apprentices.

I, as President of BAGMA (UK tractor dealer association) speak for the majority of dealers throughout the UK in supporting this Letter of Recognition.

Yours sincerely,

Mark R. Weatherhead  
Director. (President of BAGMA)
