## Assessment and Grading

### Types of assessment

Your BTEC Level 3 Nationals Music and Music Technology qualifications take a unit-by-unit approach and offer a combination of assessment styles. This gives your learners the opportunity to showcase their skills and apply their knowledge in an appropriate, work-related context, and provides evidence of what they can do when they apply to enter higher education or employment.

<tr>
<th>Assignments (internally assessed)</th>
<th>Tasks (externally assessed)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Set and marked by: Centre</td>
<td>Set and marked by: Pearson</td>

</tr>
<tr>
<td>Assignments are practical tasks</td>
<td>Tasks are practical work-related scenarios that can be tailored to local industry needs for your learners. Learners demonstrate how they apply knowledge and skills to complete a practical project over a period of time, working individually or in groups.</td>
</tr>
<tr>
<td>Set in work-related scenarios</td>
<td>They are completed in controlled conditions and some tasks have pre-released information. Learners demonstrate how to apply learning to common workplace or HE scenarios. Tasks provide evidence of a consistent standard of assessment for all BTEC learners.</td>
</tr>
</tbody>
</table>

### Grading

A learner’s final qualification grade reflects their achievements across units in their BTEC Nationals course. Both internally and externally assessed units are individually graded, and each final unit grade is allocated points.

- Internally assessed units are marked and graded in the Centre (school, college or training provider) and subject to external verification by Pearson.
- Externally assessed units are marked and graded by Pearson. Units are graded Pass, Merit or Distinction, with external units also having a N grade in most Level 3 sectors. Total points scored across all units are used to calculate the final qualification grade.

Achievement of a Certificate with a D grade:
