

## Statement of Purpose

### 500/7871/9 – Pearson BTEC Level 3 Diploma in Music (QCF)

The music sector has value of almost £4 billion in revenue and employs more than 100,000 people in the UK. The UK is one of only three countries in the world which can lay claim to being a net exporter of music in the world. The sector also contributes significantly to other sectors, including tourism due to almost 8 million visits by music tourists made annually, and the sector continues to be a driver of growth in the digital technology sector.

The Pearson BTEC Level 3 Diploma in Music (720 GLH) is part of a larger suite of BTEC National qualifications, in a range of sizes, which share the common purpose of helping people to become occupationally ready to take up employment in the music sector at the appropriate level. This can follow either directly after achieving the qualification, or via the stepping stone of Higher Education (HE) in university or college. By studying a BTEC National, learners develop knowledge, understanding and skills required by the sector, including essential employability skills, and apply them in real work contexts. Learners can operate at a standard that can reasonably be expected of an 18 year old in full-time education.

**Within this suite, the Pearson BTEC Level 3 Diploma (720 GLH) is primarily an Applied General qualification, equivalent in size to two A levels**, which has been designed to occupy two-thirds of a full-time curriculum, enabling learners to develop a significant common core of knowledge, including music and society, music project, and providing extensive opportunity to study in more depth a range of option areas of their choice, such as:

- modern music in practice
- working with music notation packages
- aural perception skills
- the music freelance world.

The Diploma allows time in the curriculum to study other qualifications alongside it, for example an A-level in Drama, History or Business. The Pearson BTEC Level 3 Diploma in Music (QCF) can be studied part time by learners in schools, colleges and other training provider organisations. Its size makes it appropriate as the core component of a Technical Baccalaureate programme, allowing time in the curriculum for the study and completion of the other mandatory components.

As the qualification was designed in close collaboration with industry, it is fully supported by the Sector Skills Council (SSC) for the sector Creative and Cultural Skills. A range of professional organisations/employers in the sector has also confirmed their support for this Pearson BTEC Level 3 Diploma in Music (QCF). This means it is a highly respected route for those who wish to move into employment in the sector, either directly or following further study. A significant proportion of recruitment in this sector is at graduate level.

The Pearson BTEC Level 3 Diploma in Music (QCF) also provides a well-established route into a variety of specialist Higher Education (HE) courses in this sector and beyond when taken alongside other qualifications appropriate for the desired course of study. UCAS has reviewed the qualification to assess its value for access to higher education, and has allocated UCAS points. See details published on the Pearson website here:
